Good morning,

Welcome to a workshop about living, growing and worshipping together as a church of many generations. The workshop will be taking place at St Andrew's Community Centre on Saturday 23rd September from 10am-4pm.

Revd Mary Hawes (former Children and Youth Adviser for the Church of England) is visiting St Andrew's to help us consider the opportunities (and challenges!) of getting to know each other, to share our stories and to grow in faith together. Join us for what promises to be a creative and inspiring day on a journey towards being a church of all ages.
